Every year we tell ourselves we aren't going to get caught up in the Xmas hoopla. And every year we do. This year we made a definite, irreversible decision not to do a Xmas issue. Well, one look at the cover tells you that irreversible decision was reversed. Blame Dani and Lexi, who are the Xmas gift that keeps on giving. And if you're buying this in early January, well, just think of it as a 'winter issue' that'll keep you warm through the coldest month of the year...

Dear Club,

Christmas is meant to be the season of good will to all men. Rachel, my girlfriend, certainly does her best, if last Crimbo was anything to go by. We had hired a little cottage in Wales for a few days in order to escape all the family feuding crap. Our desolate stone hovel was outside a small Welsh village, and we arrived laden with enough food and booze to last an army a month. The idea was to get rat-arsed

SOCK IT TO ME!

Dear Club,

I've written to you a few times before, and even had a couple of letters published, but I don't think I've ever written about a Reader's Girlfriend before. I don't skip past them, but they usually get less attention than the proper models. Lola didn't though – she got a lot of attention. She's cute, without a doubt, but what caught my eye was those socks. That's my thing right there – gorgeous. Lots more girls in long socks, please!

Ron, Surrey

We understand that completely, Ron. There's definitely something about a girl in a pair of knee-highs. We'll have a word with our sock department and get them working overtime...

and fuck each other's brains out for four days before returning to reality.

I've been seeing Rachel for three years now. She's a stunner, 25 with long red hair, a pert 34C bra size and long, slender legs that look simply great slung over my shoulders. It's a figure that could easily grace the pages of your mag. Rachel's a classic exhibitionist, and she loves wearing sexy clothes, especially if they show off as much of her awesome tits and long legs as possible.

She'd brought the lot to the cottage and the very first night treated me to a lovely fuck in front of the open fire dressed in silky stockings, a black basque that pushed her boobs out and a pair of shiny, patent heels. Lying on my back watching her knockers bounce around as she straddles my dick is one of my favourite positions. The way she grips my cock with her pussy muscles on the way up, and then slams back down onto my crotch with a squelch really gets me going. Rachel loves to lift her sopping cunt clear of my knob just as I cum so that my spunk splashes her cunt and soaks her thighs as she rubs her sperm-lubed clit until she climaxes all over my crotch. Fantastic!

"Let's go for a drink in the village pub," Rachel said as we wiped ourselves off and cuddled on the rug.

"What for? We've got all the alcohol we need and I thought we could get another screw in tonight," I moaned.

"Don't worry, we will, but I want to check out the local talent first," she said with a smile.

Half an hour later we pulled into the carpark of this tiny country pub. I could see Rachel was still wearing her heels and stockings, but what the fuck had she got on under that huge coat? The bar had a huge log fire on the go and about five old farm boys huddled round it, trying to keep out the winter chill. I went to the bar with Rachel and she slipped out of her voluminous coat. I nearly choked on my cigarette! Not only was she wearing a ridiculously short mini-skirt, but also a see-through blouse and a jet black bra which gave her a massive cleavage.

The geriatric landlord just gawped at her tits as I gave him my order and looked round. The group of OAPs by the fire seemed frozen in time, their pints poised between their mouths and the table as they stared in disbelief at this vision of horniness before them.

"What the fuck are you doing?" I hissed as

Rachel wriggled her arse onto a bar stool, exposing an acre of bare thigh and lacy stocking top to the still awestruck locals.

"Ah, come on, misery guts, it's Christmas!" she said as she slowly and deliberately sashayed past her audience on her way to the ladies. I sat there as red as a beetroot while the assembled old geezers winked and smiled at me, before returning their attention to Rachel as she emerged from the toilet. You could see her arsecheeks clearly through the taut Lycra of her skirt, as well as the subtle mound of her pussy. As she positioned herself on the stool she leant over the bar towards the landlord, giving him a close-up view of those huge heavenly tits.

"This'll warm you up better than any fire," Rachel announced and slowly opened her legs, causing the hem of her skirt to rise up her thighs. The men looked at me then back to the vision before them as we realised she wasn't wearing any knickers and her gorgeous shaven muff was naked for all to see.

"Getting hotter, boys?" Rachel said in her best slut's voice and eased her pussy open with her fingers, showing off the moist insides of her twat to the strangers, before sliding a finger in between her cunt lips. This was disgusting! My girlfriend wanking her gash in front of a bunch of blokes old enough to be her grandad! Rachel slipped off the seat, her finger still wedged inside her hole and undid the buttons on her blouse with her other hand. She then eased each breast from her bra in turn until she stood in the middle of the pub lounge, jerking her slit with her heavy boobs swinging in front of her.

I could see a couple of the guys slyly fumbling with their trousers as Rachel wanked herself faster and faster, tossing her long hair from side to side as she grunted and panted towards orgasm. My own dick was as hard as rock watching my babe perform her filthy act.

Luckily, none of them made a move towards her, because I wouldn't have known whether to step in at that point or not. They just leered at her swinging tits and sopping fanny as she opened her thighs wider and squelched two, then three, fingers in and out of her streaming pussy. Rivulets of girl cum dribbled onto her hand as she worked her cunt – she loved showing off to these lucky old boys!

With a yell she came, her legs shaking as the waves of lust burst through her body. The moans and satisfied sighs coming from her

YANKING OUR CHAIN!

Dear Club,
Anneli, Dani and Jenny in the same issue – I think they're the three girls I voted for in the last Girl of the Year awards. Nice work, but I think one of them might get bumped down to fourth if you keep putting Ryan in your magazine. I'm not usually big on Yanks, but that girl is something else!
Eric, Cheshire

Yep, we were well chuffed with the amount of amazing girls we crammed into our last issue. Just when you think you've seen them all, another babe arrives on the scene. We don't think this issue is too shabby either, plenty of time for your top three to change a bit!

audience indicated at least two of them had cum in their trousers, and seeing her love juice drip onto the bare wooden floor nearly made me shoot my load and all!

"Happy Christmas, boys!" Rachel smiled, pulling down her skirt and stuffing her tits back into her bra. She pulled on her coat, grabbed my arm and we hurried through the door, back into the freezing cold night, before anybody had a chance to say anything. I started the car and we drove in silence to the cottage. Rachel stroked my still-rigid cock through my trousers and said, "I think it's time you gave me a present now."

I did, as soon as we got inside, and we've relived every moment of Rachel's slutty performance as part of our fuck sessions ever since. It's partly why I've sent this to you now, in time for your Christmas issue. I want to warm Rachel up and see how far she'll go this time. Shame Christmas only comes but once a year!

Courtney's *Club* debut is long overdue, something we can only put down to massive incompetence on our part. I mean, she's been around for a couple of years, so what the hell were we playing at?

Champions League Football

**Various Venues –
November and December**

As the domestic football season enters a busy and no doubt rather chilly winter programme, the Champions League wisely packs up and fucks off for a break as the group stages come to their conclusion in early December. Half of the 32 teams involved will progress to the first knockout round, which begins in February, eight receive the dubious honour of being dumped into the Europa League, which is possibly only slightly better than the next eight who get nothing but 'what ifs' and broken dreams.

For many of the big clubs things have been going very much to plan. Bayern Munich, Real Madrid, Borussia Dortmund are pretty much shoo-ins to qualify from their groups

barring any complete and unlikely meltdowns. Others, however, may have a fight on their hands if they want to stay in the competition. Last year's unfortunate losing finalists, Atletico Madrid, have been pegged back by surprise package Olympiakos, the Greek champions having sprung shock victories over both Atletico and Juventus this campaign.

Bayer Leverkusen are locked in a three-way battle with a resurgent Monaco and, hanging in there, Zenit St Petersburg, and the mighty Barcelona have found themselves in the uncomfortable position of playing second fiddle to big-spending Paris St Germain, most notably during a 3-2 defeat back in September. Luckily for a frankly ridiculously talented squad that includes Neymar, Messi and Luis Suarez, the poor form of Ajax and the presence of Cypriot minnows APOEL FC means that Barcelona should qualify from the group, albeit possibly as runners-up.

On the home front, all the English clubs still have varying

degrees of work to do if they're going to make the all-important knockout stages. Thanks partly to a dramatic late win at Anderlecht in October, Arsenal look set to progress behind leaders Dortmund in their pool and Chelsea are positioned well despite opening their campaign with a draw at home to Schalke 04. Perennial Champions League underachievers Manchester City have arguably the biggest challenge on their hands in a qualifying section dominated by Bayern Munich. It's essentially a toss-up between City and Roma, with the teams going head-to-head on the final match day in what could be a shit-or-bust affair for both.

Liverpool are also up against it in a group where second place to Real Madrid is still very much up for grabs. Brendan Rogers' men slumped to defeat against FC Basel and only just squeezed past tiny Bulgarian outfit PFC Ludogorets Razgrad with an injury time penalty, who in turn handed Liverpool an unlikely lifeline by scoring a famous victory over Basel. Not bad for a side who currently play in a stadium with a capacity of just 6,500.

Whichever of the Premiership teams manage to progress to the next phase, one thing is for certain – they'll have to improve considerably if they want to have any hope of beating the big guns and appearing in the final at Berlin's Olympiastadion on Saturday June 6th.

Dereck Chisora vs Tyson Fury Fight Night

**Excel Arena, London – 29th
November**

The big, bombastic British grudge match is enjoying something of a resurgence in the world of boxing, and as heavyweight grudges go they don't come much bigger than the one between Tyson Fury and Dereck Chisora. Well, that's what the hypesters trying to flog the pay-to-view subscriptions are saying anyway, but then again to be fair things have been somewhat prickly between these two in the past.

Back in 2011 six-foot nine Fury outpointed an admittedly then rather blubbery Chisora to hand the Londoner his first career defeat and one that still rankles to this day. Significantly Chisora has become a fitter and much more mature fighter since that clash, going the distance

with Vitali Klitschko a year later and earning the opportunity to be completely outboxed by David Haye in another of these bombastic all-Brit bouts (the pair sparked a mass brawl at a press conference in the build-up).

Fury, on the other hand, has to date had to go about his business in a much more low-key fashion, his own shots at the bright lights restricted by injuries to key opponents. The unbeaten big-hitter was set to take on David Haye only for the Hayemaker to pull out twice with a cut forehead and a shoulder injury respectively. Indeed, this clash with Chisora was scheduled to take place back in July only for big Dereck to sustain a broken hand in training a few days before showtime.

An understandably pent-up Fury launched a foul-mouthed tirade at Chisora in the build-up to that fight, almost earning himself a ban and jeopardising this rescheduled bout in the

process. Indeed, the Manchester-born battler has taken to taping up his mouth at press conferences to prevent further outbursts and to ensure this fight finally goes ahead.

The anticipated 20,000 fans expected to pack out the Excel Arena will have more than one domestic clash to look forward to on the night, with Hatfield hitter Billy Joe Saunders and Brighton gobshite Chris Eubank Jnr set to put their unbeaten records on the line on the undercard, Saunders also putting up his British, Commonwealth and European Middleweight titles. This pair have been calling each other out for months across various mediums, with Eubank inheriting his father's big mouth and confidence and Saunders holding his own too, questioning Eubank's credentials during a recent radio interview in what is a big step up in class for the latter. A great British night of boxing awaits, it's just a shame a subscription to Box Nation is required to grab a ringside seat...

UK Championship Snooker

York Barbican – 25th November to 7th December

Screened by the Beeb and second only to the Worlds in terms of ranking points on offer, the UK Championship is a much sought after prize for the best green-baizers in the business. The format, however,

makes this a particularly tricky tournament to win. 128 players enter a banana-skin strewn first round, with unknowns given a rare opportunity to trip up the top potters – amateur Mitchell Thomas, for example, produced a major shock when beating 6th rated Marco Fu last year.

Despite having a hit and miss season so far, Ronnie O'Sullivan will start as hot favourite at the York Barbican. The Essex Exocet has struggled in the big ranking events, losing to veteran Alan McManus at the Shanghai Open and then to another old stager in

basis of recent form it's hard to see why he's quite so fancied by the bookies.

Current World Champion and number one Mark Selby has had a similarly patchy season to date, reaching the semi-finals in Shanghai but flopping against relative unknown Oliver Lines in the qualifying stages for Chengdu. Aussie Neil Robertson beat Selby in the final to win the UK Championship last year, and if he can finish this campaign as he started it he'll be well-placed to defend the title. The 'Beaker from the Muppets' look-a-like

"You can never write off the Rocket, of course, especially as he tends to be more motivated at the prestige events"

Mark Williams – for the first time in twelve years, no less – at the International Championship in Chengdu. You can never write off the Rocket, of course, especially as he tends to be more motivated at the prestige events, but on the

won the Wuxi Classic, the first ranking event of the season, back in June, and made the final of the second, losing to Judd Trump at the Australian Goldfields Open. A recent dip in form, however, means Robertson can hardly be considered a shoo-in.

With fringe contenders such as tenth-ranked Stuart Bingham taking the Shanghai Open, 11th best Ricky Walden bagging his third ranking event in Chengdu, and the aforementioned Trump winning down-under and working his way back up the pecking order after being top dog last season, picking the winner at the York Barbican is as good as pot luck. ♠

RATINGS:

The Hobbit: Desolation of Smaug

(Warner Home, DVD £14.99, Blu-ray £19.99)

Veteran purchasers of *The Hobbit* and *Lord of the Rings* DVDs and Blu-rays will be well aware that it's always worth waiting for the special editions. First come the vanilla releases, then the version that's chock-full of extras including endless documentaries about exactly how they made that Balrog's foot. And, of course, these already long films have extended editions, with more dwarf singing and bits that were cut out for reasons that are usually very obvious upon viewing.

How you feel about all this depends on how you feel about the whole Peter Jackson/Tolkien thing. We're firmly in the fanatics camp, and we'd happily watch every single outtake ever. *The Desolation of Smaug* ramps up the action from the first *Hobbit* movie, with all the dwarf introductions now out of the way. There's lots more Smaug, which is a good thing, we encounter Beorn, the spiders of Mirkwood, and the necromancer plotline is further fleshed out. Set pieces are as stunning as ever, the barrel sequence a particular highlight.

Purists will grumble about the omissions and the additions, but Jackson weaves Evangeline Lilly's Tauriel into the story seamlessly, and while there's some padding, that's fine for us who don't want it all to end. The copious extras are brilliant and, for once, the extra scenes do add a little. It's no *The Two Towers* but, frankly, what is?

★★★★★

Dead Head

(Eureka Entertainment, DVD £10.02)

A lost classic or deservedly buried? Howard Brenton's BBC series was screened in 1986 and then never seen again until this belated DVD release. Was it because of the strong nudity (the scene with a welly-clad woman and her 80's bush lives long in our teenage memories) or, as some think, because it depicts a conspiracy by British security services? Either way, the noir pastiche stands up well, thanks to game performances from Denis Lawson, Lindsay Duncan and Simon Callow. Brenton, a highly accomplished and often controversial playwright, would go on to pen numerous episodes of *Spooks*, showing that this was a world he could explore, and *Dead Head*, while dated, is well worth rediscovery. ★★★★★

Blue Velvet

(High Fliers Films, Blu-ray £14)

One of a handful of David Lynch masterpieces, *Blue Velvet* might be the most challenging and uncomfortable of them all. Kyle MacLachlan is the college student turned amateur detective who finds a severed ear and finds himself sucked into a dark world behind the facade of white-picket normality. He and Laura Dern are superb, but the film is stolen not only by Dennis Hopper and Isabella Rossellini, but by the unique mood. The Blu-ray restoration is truly superb but the big selling point is the 52 minutes of lost footage. Don't make the mistake of thinking said footage has been re-edited into the film, as many have (largely due to Amazon's dodgy marketing) – it's a standalone extra. But for Lynch completists, it's still great. ★★★★★

Once Upon a Time in America

(Warner Home, Blu-ray £17.75)

This version adds 22 minutes to the already bum-numbing 229 minutes of Sergio Leone's extended cut. Are they worth the wait? Great for completists, they add little to an already slow, stately and elegiac classic. What's more disappointing is the mediocre Blu-ray transfer of a film that deserves to be seen at its best. ★★☆☆

Godzilla

(Warner Home, DVD £10 Blu-ray £12.99)

Gareth Edwards' stab at the Godzilla franchise split critics and viewers, but two things are undisputable: It wastes Bryan Cranston, and it's better than the 1998 piece of shit. The creatures are great, but Aaron Taylor-Johnson is blander than rice as a lead. ★★☆☆

Sherlock Holmes: Crimes & Punishments

(Focus, multi-format £34.99)

There are many Sherlock games out there, and many of them are enjoyable, but none have come close to replicating the unique way in which Conan Doyle's creation actually solved crimes. This has a decent stab, using some of *LA Noire*'s tricks, and is presented well. Unfortunately, it holds your hand too much, and you won't be left in the dark like Watson. ★★☆☆

Classic Corner

Touch of Evil

(Eureka, Blu-ray £8.99)

Orson Welles may well have made his name with *Citizen Kane* and the sadly butchered *The Magnificent Ambersons*, but it's *Touch of Evil* we go back to the most. It has so many pleasures, ones that look better than ever in high definition. Welles himself is in great form as the corrupt Quinlan, but with ripe performances by Charlton Heston (as a Mexican police chief!) and Marlene Dietrich as a gypsy madame, he doesn't overshadow the film. All five variants of the film are included, with four audio commentaries and a 56 page booklet. As definitive as it gets.

book club

The Last Anniversary

Liane Moriarty (Penguin £7.99)

Liane Moriarty can turn out superior chick-lit, as she did with *Little Lies*. Not to disparage a whole genre, but if the whole point of reading a book is to empathise with the characters while sipping your Pinot Grigio, then you're at best a book club reader. This is decent, slow to start, and while witty doesn't really go anywhere with an interesting premise.

The Bone Clocks

David Mitchell (Sceptre, £20)

The sixth novel from David Mitchell, still best known for the excellent *Cloud Atlas* (you can't blame him for the eccentric casting of the brave attempt of a movie!), employs many of the same tricks. There's a central character, Holly Sykes, but we still get multiple narratives, time-slips, elements of sci-fi and some extremely adept prose. Mitchell's experiments with form pay dividends.

How to be a Woman

Caitlin Moran (Ebury Press, £8.99)

Caitlin Moran has always been one of the best, brightest and sparkiest journalist around, and this part-memoir, part-tract is brilliant stuff. It's rude, honest, funny, strident and doesn't really hit a single duff note. If you don't like women with very strong opinions, you'll hate it, but we ended up being entertained, informed and wishing that Caitlin was one of our mates. She sounds a right laugh.

Lazarus Volume One

Greg Rucka (Image Comics, £7.50)

The trade paperback of Rucka and Lark's ongoing *Lazarus* is an absolute must. Set in an indeterminate future where the world is run by Mafia-type clans, our protagonist is Forever Carlyle, a super soldier defending her family possessions. It's brilliant, dystopian stuff, but so fully realised from page one that it's like your own world within a few panels. And it only gets better. ♣

Tech doesn't come much more tedious than computer monitors. Most people don't need them, so they're aimed at gamers more than anyone else, hence you get bogged down in refresh and response rate. We suppose that if you've whacked out £1500 on a high-end gaming PC, you want the games to look good. Well, this has a 1ms response rate, which is very good, and it also reduces motion blur. But it needs to sound good too, and this doesn't have built-in speakers or an optical output, just a 3.5mm jack. We reckon gamers will look elsewhere for the complete package.

Pros: Looks brilliant.

Cons: Audio options secondary.

It turns out that the main reason girls carry around big bloody handbags is so that they can carry around vast smartphones. Up there in size with the iPhone 6S, this certainly does not fit snugly into any pockets we have. Still, if you can carry it, you'll like it – the screen is excellent and all the functions work great, helped by a speedy processor. They're also trumpeting PS4 Remote Play, so you can access your games on your phone screen should you need to. It launches soon and is definitely a USP.

Pros: Nice screen, PS4 function useful for some.

Cons: Unwieldy and not everyone has a PS4. ♣

Airwheel Q

www.airebike.com

There isn't a lot of dignity in alternative forms of transport. The C5 was never going to catch on once you'd seen Clive Sinclair's noggin poking out of one. Job in *Arrested Development* condemned the Segway to a laughing stock. But what about the Airwheel Q3? It's a two wheel electric unicycle that is hard to get the hang of, but will run for 24 miles on one charge. That's about as good as it gets. You'll get kicked off the pavement for using one, safety is an issue, there's no shock absorbency and, well, just think about it.

Pros: Good for a laugh.

Cons: Laughs at your expense.

Ah, the life of a top glamour model. While we lowly editors slave away at this time of year to make sure we meet the seasonal demand for grumble mags, they're swanning off to sunnier climes to get some winter rays.

As icicles form on our noses, the lovely Sophia slowly tans as she strips off in the sun. We're sure she's sparing us a thought as we toil at our desks and some minion fetches her a daiquiri to sip at the side of a pool.

Of course, none of this is true. We found out exactly where Sophia was shooting these photos and managed to finagle a few much-needed holiday days in the villa next door. That's why they invented binoculars, after all... ♣

Not just a pretty bum...

So lovely is Mia's arse – an arse that has recently been breached for the first time in a film most definitely made just for adults of a discerning nature – that we've been a bit guilty of neglecting the rest of her. The photos you see are merely a much edited selection of a couple of hundred, and we've definitely been picking too many bum shots. It's hard not to – it's an arse for the ages. But let's not ignore the rest of the magnificent Mia. Her boobs, box and body are all top notch as well, and that face is one to treasure. So we've ignored her bum this time round. Well, almost, we had to sneak one or two glimpses in there. It'd be rude not to... ♣

Joy Ride

(Wicked Pictures)

The title of this films brings up nasty memories – taking Joy Ride tablets to stop us being car sick. Our advice? Stay at home and watch this instead, packed as it is with faux-amateur action shot as if by an in-

car CCTV camera. Albeit better than that sounds. The girls are nicely amateur, rather than over-familiar faces, with standouts being hot black chick Harley Dean and muff-having cutie Hope Howell. ★★★

Deception

(Private)

Masturbation has its ups and downs. Girls we once spanked over are now forgotten, replaced by nubile newbies who are flavour of the month. This fine effort from Private encapsulates that. We've moved on from trout pouty Aletta Ocean, but her co-star Jasmine Jae is a girl we're giving a lot of penile attention at the moment. Same goes for the lovely ball-emptier Stella Cox. Wankus fugit. ★★★

Smut

(Digital Playground)

It's not often you get a DP production that eschews contract girls and stars, but *Smut* is one such title. Not that the girls are unknowns – we've lost our mess to the very pretty and immensely sexy Tiffany Tyler more times than we care to mention (okay, eighteen). Brandy Aniston and Natalia Starr are also capable performers, but the movie as a whole feels a little random and thrown together. ★★★

GLOBE THEATRE

**All the world's
a stage, and
sometimes famous
ladies get their
norks out on it...**

If you recognize Juno Temple, it may well be because she's trod the boards at the Globe Theatre before. Or it might just be that you're a sentient being with functioning eyes who watches movies – as Miss Temple appears to be naked in all of them. We had an embarrassment of riches to choose from last time round, but in 2013 she romped nude in *Horns* and, even better, donned lingerie and flashes her bristols in *Sin City 2*. This is one Temple we're going to always worship at! ♣

TWO GIRL TORTURE!

I think it's probably fair to say that it's every guy's favourite fantasy to get two girls into bed (at the same time, I mean). It certainly is my boyfriend's. I've been going out with Jason for about two years now and the subject's cropped up on more than one occasion. See, the thing is, Jason loves to talk dirty to me during sex and he loves to hear me talk dirty back, so we know each other's fantasies intimately. Jason's always going on about how he'd love to watch me slide my tongue in and out of another girl's sopping pussy, and dip his cock from cunt to cunt as we squirmed around on the bed, then he'd blast his hot sticky cum all over our faces.

I always thought this was just talk – a little sexy mental stimulation to accompany the physical – so I always played along. I'd say stuff that I knew would turn Jason on and talk about rubbing my dripping pussy into another girl's cunt, he'd nut off all over me in a fit of excitement. But then Jason started talking about this girl at work and asked if I wanted him to arrange it.

"She's a good friend of mine and really open-minded. I reckon she'd join us one night if you wanted," he said. I asked him if he'd fucked her already, but Jason swore he

hadn't. I wasn't sure I believed that because why would someone who was 'just a friend' join in if nothing had gone on in the past between them? Jason said it was just because she was a real good-time girl who loved adventurous sex and would do anything if it was a bit risqué.

"She probably wouldn't fuck me just on my own, she'd think that was too boring. But with you there, I reckon she'd jump at the chance."

He then showed me pictures of her on the web. She'd posted some amateur snaps on a porno website and someone at the office had found out. The boss called her in to discipline her and everyone thought she'd get fired, but incredibly she kept her job. The rumour was that she'd let the guy fuck her over the desk every night for a month (once while a couple of his friends watched), but that was just a rumour.

I gave Selina (that was her name) a good

the picture as to what I had planned for Jason, and she eagerly agreed.

Now, I have to confess I had an ulterior motive, too. See, I'd never been with another woman before, but had always fantasised about it. I don't know if I would've ever been brave enough to try seducing a girl on my own, as that would involve admitting I had these lesbian feelings, but with Selina it didn't count as we were just doing it for Jason. See?

After a couple of drinks we went up to the bedroom and climbed onto the bed. Jason stripped off and sat on a chair in the corner, nursing his hard cock. Selina cast an interested eye over his prick and asked if she could give it a little taste, but I told her no. Jason hadn't listened though and was wanking his cock just inches from Selina's ruby lips, so I told him if he didn't sit back down the deal was off.

Jason was torn with horn and for a moment

Selina cast an interested eye over his prick and asked if she could give it a little taste"

look over and liked what I saw. She was quite small, with a round face and short brown hair, not conventionally beautiful, more cheeky with an incredibly dirty smile and I felt a little twinge for her. Jason said he'd ask her then, but I still wasn't sure and asked my best friend what she thought.

My best friend told me that she and her boyfriend had had a threesome once, and that her boyfriend had just spent the whole time fucking the other girl. She said that it felt like he'd cheated on her, but that it hadn't counted because she'd been in the room at the time, and warned me to watch for the same. I knew what to do at that moment and told Jason he could have his threesome if he wanted but on one condition – he had to sit at the end of the bed and not join in until I told him he could.

Jason agreed, not knowing the torture he was letting himself in for, and a couple of nights later Selina called round. I put her in

I thought he was going to say to hell with me then, but to mine and Selina's amusement, he just trudged back to his chair. "Maybe later, if you're good," Selina said, then turned and kissed me.

It felt so weird kissing another girl, and I couldn't help but hold back a little at first, but Selina took the lead and took her hands on a tour of my body. She slipped her hands inside my top and pulled down my bra, stirring my nipples with her fingertips as she did so. I have incredibly sensitive nipples at the best of times, and their stiffening radiated delicious tingles all across my body.

I moaned into her ear as she slid her hand between my cleavage and across my soft belly and I knew where it was going next. My pussy, already moist with anticipation, started to pound as her fingers approached. She pulled up the hem of my skirt and stroked her flat palm across my hot cunt several times, before sliding her fingers under the lace. My pussy pumped as her fingers dug into my flesh and I buried my face into her neck as they stroked across my wet lips.

Selina soon found my clit and stirred it with circular motions that turned me on like crazy. She dropped open her legs and urged me to do the same to her, so I grabbed a handful of

her cunt. Her pussy was nice and wet, so I slipped two fingers into it and pumped them with fevered enthusiasm, delighting Selina and filling the room with noisy squelching. Jason jumped out of his chair for a better view, so the pair of us turned our hips towards him and told him to sit back down.

"Suck my pussy," Selina told me, her request almost making me cum all over her fingers. We stripped out of the rest of our clothes and planted our mouths between each other's legs. The relief Selina's tongue brought me had me howling into her wet cunt and I reciprocated as best as I could until my face was greasy with her joy. I planted my tongue as deeply as I could inside her love tunnel and rubbed her clit with my thumbs, making her flinch with every stroke, then I licked all around her wet thighs and even between her cheeks as I sampled every inch of her.

"Oh God, you dirty fucking bitch," she moaned, as I flicked the tip of my tongue across her arsehole, then she did the same for me.

"Please let me fuck you?" Jason was moaning, his cock now so impossibly primed that I knew I could make it explode with the gentlest of touches.

"Sit back down, you wanker," Selina barked, then went back to sucking on my swollen cunt lips. It was so horny having this young thing feasting on my pussy that I couldn't stop myself from admitting my little secret.

"I'm a lesbian. I've always been a lesbian. I love pussy and I'll fucking suck any girl's cunt who wants it," I moaned, writhing about on Selina's face as my heart pounded in my chest.

"You fucking dyke," Selina replied. "Eat my cunt, dyke. Eat it!" I stuffed my face harder between her legs and whipped my tongue up the length of her sopping crack again and again as she tongue-fucked me to oblivion and soon I started to orgasm.

"I'm gonna cum!" I howled, and Selina closed her mouth over my cunt, catching my juices as I splashed across her tongue. It felt unbelievable cumming in this stranger girl's mouth, and this just intensified my pleasure to dizzying heights. When I was done, though, I was so exhausted that Selina had to

“Jason sank in up to the balls with one thrust and he fucked her hard with urgent thrusts, then pumped her full”

kneel over my face and bring herself off, as I could barely lift my head!

The smell and taste of her cunt filled my senses and she stuffed her fingers into her swollen hole again and again before finally dropping down onto my open mouth and cumming all over my tongue.

"Oh fuck yes," she moaned, as I drank from between her lips.

"I can't stand it any more," Jason said, standing over us rubbing his cock into Selina's body. He left a glistening trail of pre-cum all over her tits and I knew at that moment he'd do anything to stick his cock into one of us (or more obviously, her), so I decided to take advantage of the situation.

"You want to fuck us?" I asked, and Jason begged yes. "Then you can fuck her if you want, but only on one condition."

"Anything. I'll do anything," he said, as Selina lay back and parted her legs. Her cunt cracked open so invitingly, but Selina blocked it with her hand as Jason tried to slip it inside. "Please," he implored.

"Like I said, on one condition. You have to let me get fucked by another guy, and you have to sit in the corner and watch as he fucks me," I said, and Selina smiled at this.

"Okay, yes, I promise," he said, but Selina made him swear. "I swear, just let me stick it in you." Seeing him this horny though, I couldn't resist upping the stakes.

"Two guys, you have to let me fuck two guys at the same time. Pussy, mouth, arse; they fuck me in every hole and you have to watch," I said, and Jason still agreed, so I told Selina to let him in and she moved her hand. Jason sank in up to the balls with one thrust and he fucked her with hard urgent thrusts. I thought about the hard urgent thrusts I'd be getting in a couple of weeks time and the look on Jason's face as they showered me with cum. I couldn't wait. And neither could Jason, by the looks of things. He let out a cry and slammed into Selina one last time, then pumped her full of seed.

When he pulled out his cock, her crack dribbled with sperm, so I sunk between her legs and gave her hole a suck. I do love the taste of freshly squirted cum, and it tastes absolutely delicious when sucked from a girl's well-fucked pussy – as Jason would discover in a couple of weeks time. I'd see to that.

Fiona, Leicester.

BIKER BANG!

First up, my name's Jazz and I'm the bass player in an all-girl band called The Biker Slut – the dirtiest, most wanton rock-bitches that ever drew breath! A brief introduction: Cindy, the singer has blood-red waist-length hair, and is a roaring bi who loves to give the rest of us wicked head. Anna's our full-lipped drummer with tits to fuckin' die for, she likes to get banged up against the dumpster with the trash behind whatever shit-hole we just played. On guitar there's Beth, she's kind of severe with a sharp black bob, and is well into her fetish thing. Then there's little

rapturous applause and we frowned and rolled our eyes, drinking all the harder to steel ourselves against what was to come. The bad music eventually stopped and we staggered out, pissed as farts, to pound through our set.

Halfway through the first song, I noticed through my blurry vision that the audience were nearly all women. All except the five muscular semi-naked men standing to the left of the stage! And then it dawned on me – the support act hadn't been an 80s DJ, it had been a fucking male strippers outfit. And now there

were these five hunks staring at our raunchy, sex-starved arses. One of them, a man with a shaved head and a well-trimmed goatee, was looking at me and pulling ferociously on his fully-engorged member! Oh, thank fuck, I thought, we're gonna get to have some fun after all.

Sindy saw this and was in there faster than I could have thought possible, looping her mike lead around Mister Goatees' neck and dragging him up onto the stage. She then proceeded to grind up against him for all the audience to see, licking his nipples and biting at his neck like the sex-starved nympho she was. He responded by pushing her onto her knees and shoving his throbbing member into her waiting cleavage, its purple end probing at her neck and chin. She flicked her tongue teasingly at it and grabbed him firmly by the balls, making him buck as he moved to the pounding backbeat.

The stripper who had been standing next to Mister Goatee, a fine specimen with bleach-blond hair and a surfers' tan, took this as his cue and jumped up onstage. He slid round behind Beth and grabbed at her bulging, corseted tits with one hand whilst the other made a beeline for her crotch, pulling at her rubber skirt with sweaty fingers. I could see Mister Blonde's fat cock pushing at the taut black material that covered Beth's arse, and I felt myself moisten deliciously as I watched her writhe, wet-lipped, within his grasp as she tried desperately to not fuck up the song.

I felt the hair on the back of my neck stand up and I looked away from Beth and back to the audience. Standing in front of me was a tall, naked man with spiked hair, blue-eyes and a snake tattoo coiled over his right pectoral and upper right arm. His eyes were clear and hard and his gaze unflinching as he

stepped up onto the stage. Now the audience were really starting to go mental! Mister Snake proceeded to kneel before me and pull my miniskirt up, slowly taking and unclipping a suspender with each calloused hand. He delicately traced the tendons on my thighs, moving his mouth closer to my crotch, his very breath playing upon my fattened, hungry sex. Yet Mister Snake was an expert tease, and he held off on touching my now-steaming pussy until we'd started the next song. Locking his arms about my groin and open legs like some kind of vice, he waited with heavy gasps until I was busy playing the bass again.

I closed my eyes and tried desperately to hold the beat as he pulled my G-string to one side and began to expertly work my clit with his dancing tongue. As the song built up speed, so did he, holding my pussy open with

“He responded by pushing her onto her knees and shoving his throbbing member into her cleavage”

old me on bass. I'm your classic rock-chick, I suppose. Long blonde hair and big brown eyes; all fuckin' hiked up cleavage and mini-skirts that are more like belts, that's what I'm about.

So let me tell you about this one time on tour... God knows how it happened, but we were doing this series of ill-conceived gigs in the West Country where we were playing all the wrong sorts of places. Gents' clubs where the youngest guy was fuckin' 50 or something?! More importantly still, I hadn't gotten any cock in over a fortnight on the road – a completely unprecedented length of time for a Biker Slut to go unseen to.

So, anyway, we'd just about given up hope of having any fun at all when we rolled into Taunton one evening, all tired and wound up, to find that we were booked to play a bloody wine bar! We sullenly set our gear up in the corner and started drowning our sorrows before the place was even open. I was so inconsolable that I didn't even bother to check who the other bands were, as they were bound to be a load of shite.

We sat backstage passing a bottle of vodka between us telling dirty stories whilst the wine bar filled up, none of us bothering to go outside as we really didn't give a fuck who showed up. When we were well into our second bottle, we heard what sounded like a DJ doing a really awful set of 80s tunes to

one hand and sliding one rough, moistened finger up my arse with the other. I spasmed as I heard the drumbeat break down and the crowd begin to jeer, but Mister Snake wouldn't let me turn around to see what was happening. All of a sudden, with the music now stopped and nothing but my own hammering heart for company, I was cumming like a freight train. Mister Snake worked my orgasm like a pro and slid from my womanhood when he was done with serpentine grace.

As I slumped to the floor I noticed the remaining two strippers were spit-roasting a twisting, bucking Anna over the trashed remains of a drumkit and I laughed deliriously. No wonder she'd dropped the bloody beat!

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

BLONDE BUM!

For me, the most attractive women in the world are blondes. There's just no argument about it. Even more particularly, I am turned on by natural blondes, and I'd like to tell your readers about my first time with Amy, my girlfriend: a real blonde bombshell.

Amy is a pale English rose, her hair is flaxen and her skin has that translucent peaches and cream quality only found in natural blondes. Her fruity bits are pale pink and very sensitive to the touch... and her collars and cuffs match perfectly!

We had been out once before, but I'd had too much to drink and was afraid of the dreaded brewer's droop to feel confident enough to ask her home. She had given me her phone number and after a couple of days I finally got up the courage to ask her out again.

We met at a bar we both knew and went from there to a club. Her dress was a shade of pink that complimented her skin, and short enough to showcase her perfect legs. I was careful not to drink too much, and as we danced I held her close. Her body moulded itself into mine and I could feel my cock starting to grow inside my trousers as, to my surprise and delight, she ground herself provocatively against my crotch.

Her body language was unmistakable, and I became acutely aware that I was in danger of creaming my boxers, shifting my hips in an

effort to relieve the pressure. She readily agreed to my suggestion that we go outside to "get some air". We walked into the car park and found a secluded spot near the back of the club. Her hair shone a deep honey colour in the light from the street lamps.

Smiling, she began to draw her skirt upwards. She did it slowly, and tantalisingly – never taking her eyes off my face... teasing me with her beautiful body as I stood motionless, watching, captivated by her erotic performance, my attention fixed on the top of her legs.

She rolled her skirt above her softly-rounded hips, then hooked a finger under each side of her panties and drew them down her legs. Her pussy was the most beautiful I had ever seen. I glanced up into her pale blue eyes.

"Is anything wrong?" she asked innocently. I looked down again, "No", I stammered, "nothing wrong at all!"

She had a golden triangle with downy wisps of light blonde hair just barely concealing the promise of the treasure that lay

"Squeezing her bum cheeks, I moved my fingers closer to her arsehole and got a whimper"

behind the veil. As I stared, I saw that little clitoris of hers start to protrude and tiny droplets of her sex juices forming on her labia. That was almost it for me. I nearly creamed myself!

Tucking her panties in my trouser pocket, she leaned against the wall and unfastened my flies to reveal my boxers, which were being pushed out of the opening by my straining cock, and I hastily pulled them down to below my balls. My rampant rod sprang out into the night air and, taking my engorged phallus in her hands, she stroked it gently. My balls tightened instantly and my helmet tingled as she lightly pinched its tip.

Standing on her toes, she stretched upwards and, wrapping her arms around my neck put most of her weight on my shoulders. I clasped my hands around her waist to steady her as she lowered her warm, wet pussy onto my eager penis. Pushing it as far into her as possible, I began to get into a stroke, moving her back and forwards against the wall with my thrusts – being careful not to let my cock slip entirely out of her hot, soaking cunt.

As she gripped me tightly about the neck I allowed my hands to slip around her bare arse and redoubled my efforts, pumping in and out of Amy's slot with ever-increasing rhythm and force. She moaned as her pussy muscles gripped my rod. Squeezing her bum-cheeks gently, I moved my fingers closer to her arsehole, and was rewarded with a whimper of excitement as they began to penetrate her behind. Once inside her, my fingers caressed the satin interior of her rectum – causing her pussy to convulse in orgasm.

Her gripping cunt walls were threatening to bring me off before I was psychologically ready. So, slowly withdrawing my fingers

from her anus, I concentrated on protracting and intensifying my own pleasure – banging her with abandon – my thrusts eventually including jumps and jerks as my hot spunk blew.

I slid my cock from her pussy, while she pulled her skirt back into position and took her panties from my pocket, popping them into her handbag. When we got to her flat she made coffee and we sat together on her sofa. She wriggled into a more comfortable position on the opposite end of the sofa facing me, and I noted with pleasure that her skirt had ridden up and that she was spreading her legs enticingly, displaying her enchanting, perfect blonde minge.

I reached across to her, my fingers slowly wandering over her thigh and down between her legs, petting her blonde pussy hair and parting her pale pink labia, as I explored her still-moist slot. Not to put too fine a point on it, my fingers were soon pumping her and playing with her clitoris. She leaned back into the sofa with a deep moan as my finger continued to stimulate her honey pot,

break my own record.

Her body was perfectly toned; her breasts firm and rounded with pale pink areoles and pointed teats standing out proudly from her glorious globes. Her stomach was flat and hard and her mound was lightly covered with soft wisps of downy golden hair. Her pale ivory skin and bright blue eyes were framed by her flaxen locks which hung down across her shoulders like liquid gold.

She was by far the most beautiful woman I had ever

tweaking her clit until it was swollen and hyper-sensitive.

As her pussy contracted, she started to pant and cry out in passion, her pussy nectar dribbling onto my wrist. Moments later her thighs were clamping around my hand as her pussy began to spasm as she climaxed.

It took her a couple of minutes to recover, but when she did she smiled devilishly and reached for my flies. With just a few deft movements she had my cock free. Then to my

been with. Hurriedly stripping off, I dropped my clothes carelessly. Amy got onto the bed first, and the sight of her blonde hair fanned against the shiny red satin pillowcases made my cock twitch with anticipation.

As I moved to the bed she asked if I would like to try a spot of botty play, as the fingering I had given her anus earlier had really turned her on. Amy moved into position, resting on her elbows and cocking her pert little rump enticingly in the air. I approached her from the

her tight rear entrance and was nearing climax when I remembered her playful refusal to suck me earlier. Withdrawing my penis, I turned Amy around so that she was facing me. Smiling at her, I asked if she would let me cum in her mouth. For answer, she cupped my balls in her hands, then, maintaining eye-contact, tugged my cock towards her glossy lips.

As she licked the length of my penis I could feel the sperm well up in my balls. Taking my full length in her mouth now, she sucked hard on my throbbing rod, finally deep-throating me – and before I even knew it was happening I was blowing my wad against the roof of her mouth.

I watched wide-eyed, breathing hard, as she very deliberately swallowed it, licking up the drops that trickled from the sides of her lips and then – what truly amazed and enchanted me beyond everything else! – carefully and gently wiped my penis clean with her silky blonde hair.

“Her strong sphincter muscles gripped the base of my penis and she began to push back”

surprise, she reached into her handbag and pulled out her panties, which she wrapped around my cock. To my delight she began to stroke my shaft through the wonderfully soft, silky material.

I was really enjoying the sensation and before I knew it I was asking her to take me in her mouth. “Later, maybe,” she replied in a teasing tone, as her hand doubled the speed of her stroke. The vision of my cock being stimulated while wrapped in her sexy little panties made my balls contract and I shot my load full blast into the fabric. I could see my cum drenching the material as it emptied in jets from my aching ball-sac. As my cock softened, she wrapped it in the panties and tucked the whole bundle, panties and all, back into my trouserfront.

Sated, we made more coffee and watched some late night television – both of us needing time to recover. The coffee was especially welcome, as I was feeling seriously dehydrated!

Later that night she led me into her bedroom. Her bed was king-sized with red satin sheets and the lighting soft and muted. Watching her undress in the mellow lighting I could feel my cock hardening once again. Cumming off twice in one night was, up until then, my limit, but I knew from the deep ache in my cockhead that tonight I was going to

foot of the bed, my breath almost catching in my throat at the sight of her magnificent arse with its deep cleft, soft blonde curls peeping from between her thighs.

Kneeling, I nudged her legs wider and spread her bum-cheeks further apart so I could see her anus. It was a delicate pale pink, framed by soft wisps of tiny golden down. Unable to help myself I leaned forward and rimmed her rose-tinted ring, licking the soft wrinkles of her anus.

She sighed with pleasure and directed me to her bedside table where she had a bottle of lube... open and ready for use. Squeezing some onto my fingers I massaged her ringpiece, working the lubricant into her tight little opening. Applying some to my hardened rod, I prodded her sphincter with my cockhead, until, with a very slight tugging, it entered her back passage.

Steadying myself with one hand on her hip, I pushed forward until I had plugged her rectum with my full length, pausing for a few moments to allow her time to get used to thickness of my cock before moving it around inside her. Her strong sphincter muscles gripped the base of my penis, and, as I reached forward and tweaked her nipple, she began to push back onto my cock with abandon.

Grasping her firmly by the hips, I reamed

TRACY ♣

The razor's edge...

Tracy insisted on presenting a freshly-shaved snizz for this photoshoot, even though she'd only shaved it two days before.

"I like to be bare and brand new," she explains, "with no unsightly stubble or rash. I'm the same if I know I'm going to have sex – I'm at my most sensitive when I've just had a shave, and I cum a lot more."

It must take a lot of work though?

"It does, but it's not the hardest work is it?" laughs the 19-year-old. "Soaping up and shaving my pussy and then playing with it is more my idea of fun than hard work. Although I sometimes get a man in to help me with some of the hard to reach places. In fact, fancy inspecting me now?"

Not half! ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

Jail Break!

24-year-old inmate Simeon Lippert attempted to escape from a western Montana jail through the ductwork, only eventually surrendering so his fellow inmates could get some shut-eye. A detention officer first noticed a camera outside an entrance pointing down at 1.13am, followed by a brick and some grouting hitting the ground. The jail was immediately placed in lockdown and a search begun. At 1:30 m Lippert finally announced through the intercom, "Come get me so the rest of these guys can get some sleep." What a considerate fellow.

Class Act!

Calvin Wank, of Deposit, New York really lived up to his name after being caught touching himself in a parking lot in Kirkwood on Saturday. Several truckers had pulled into the truck stop nearby in order to report Wank's allegedly lewd behavior. Wank was apparently wearing lipstick and eye make-up when approached by police and detained. He will appear at Kirkwood Town Court on charges of public lewdness. A wank by any other name would feel as sweet.

Baby Bandit!

A carjacker gained notoriety on Friday for a distinguishing feature. No, not a tattoo, but a toddler's dummy. Oklahoma City Police are currently searching for a suspect who has been dubbed the 'Binky Bandit' after CCTV showed the suspect sucking hard on a pacifier and carjacking a red two-door 1997 Grand Prix. Oklahoma City police felt obliged to remind everyone that the man in question is wanted for a serious crime even though the picture creates a childish image. The question is, do they have a big enough play-pen for him in jail?

The Pedal-files!

This 19-year-old yielded one of the greatest excuses when officers finally got her to stop after a chase that saw speeds of up to 100mph. Star Williams reportedly told officers, "Her foot got stuck on the gas pedal," when she sped off after being asked to pull over for speeding in her Red Ford Mustang. Williams was arrested and charged with fleeing a felony and eluding arrest. ♣
